¹ Bug Busting® reduces head lice, social stigma and cuts healthcare costs – as demonstrated by Ibarra et al. Journal of Clinical Nursing (2007) 16: 1955-1965.

² Most families use their original Bug Buster® combs for the detection and cure of new infestations for at least a year – sustainability data presented by Hill et al. (2006) to the Third International Congress on Phthiraptera (Lice).
